| | All | Airport coach departs |
| | All | Term Ends (after Speech Day) |

A key aim in the Sixth Form is to widen horizons through co-curricular activities: Duke of Edinburgh's Gold Award; subject tours to, for instance, the USA, Poland and China; numerous societies ranging from Amnesty International to Wine Tasting, Scottish Dancing to Photography. There are Readers' Circles, Modern Languages Clubs and a History Society. A Model United Nations Society meets weekly and takes part in inter-school competitions as well as performing on the international stage. If your interest is not covered, start your own! You will be enthusiastically supported by your Housemistresses and Housemasters.

Founders is alive with lectures, seminars, rehearsals, tutorial sessions, music, hard work and plenty of fun. The separate Weekend Programme is aimed at both personal development and relaxation, with theatre and ballet trips, paintballing, museum and gallery trips and visits to restaurants.

With a happy Sixth Form Centre conducive to study and camaraderie, we encourage originality, ambition and achievement, enabling students to develop the skills which will benefit them throughout their lives.
