BENENDEN
A COMPLETE
EDUCATION

Our Weekend Programme here at Benenden is an integral part of School life; designed to ensure that our students can both wind-down and have fun together. Our carefully thought out and organised weekend activities and excursions mean that the students have the opportunity to make the most of their Saturdays and Sundays, in turn setting them up for an excellent week ahead. Alongside our variety of sports fixtures, the Weekend Programme enables our students to gain new experiences, learn the importance of a work/life balance by giving them the tools to focus on their emotional and physical wellbeing and help with their personal and professional development – all whilst having fun and creating life-long memories with their friends.

Please do not hesitate to get in touch if you have any questions at all.
