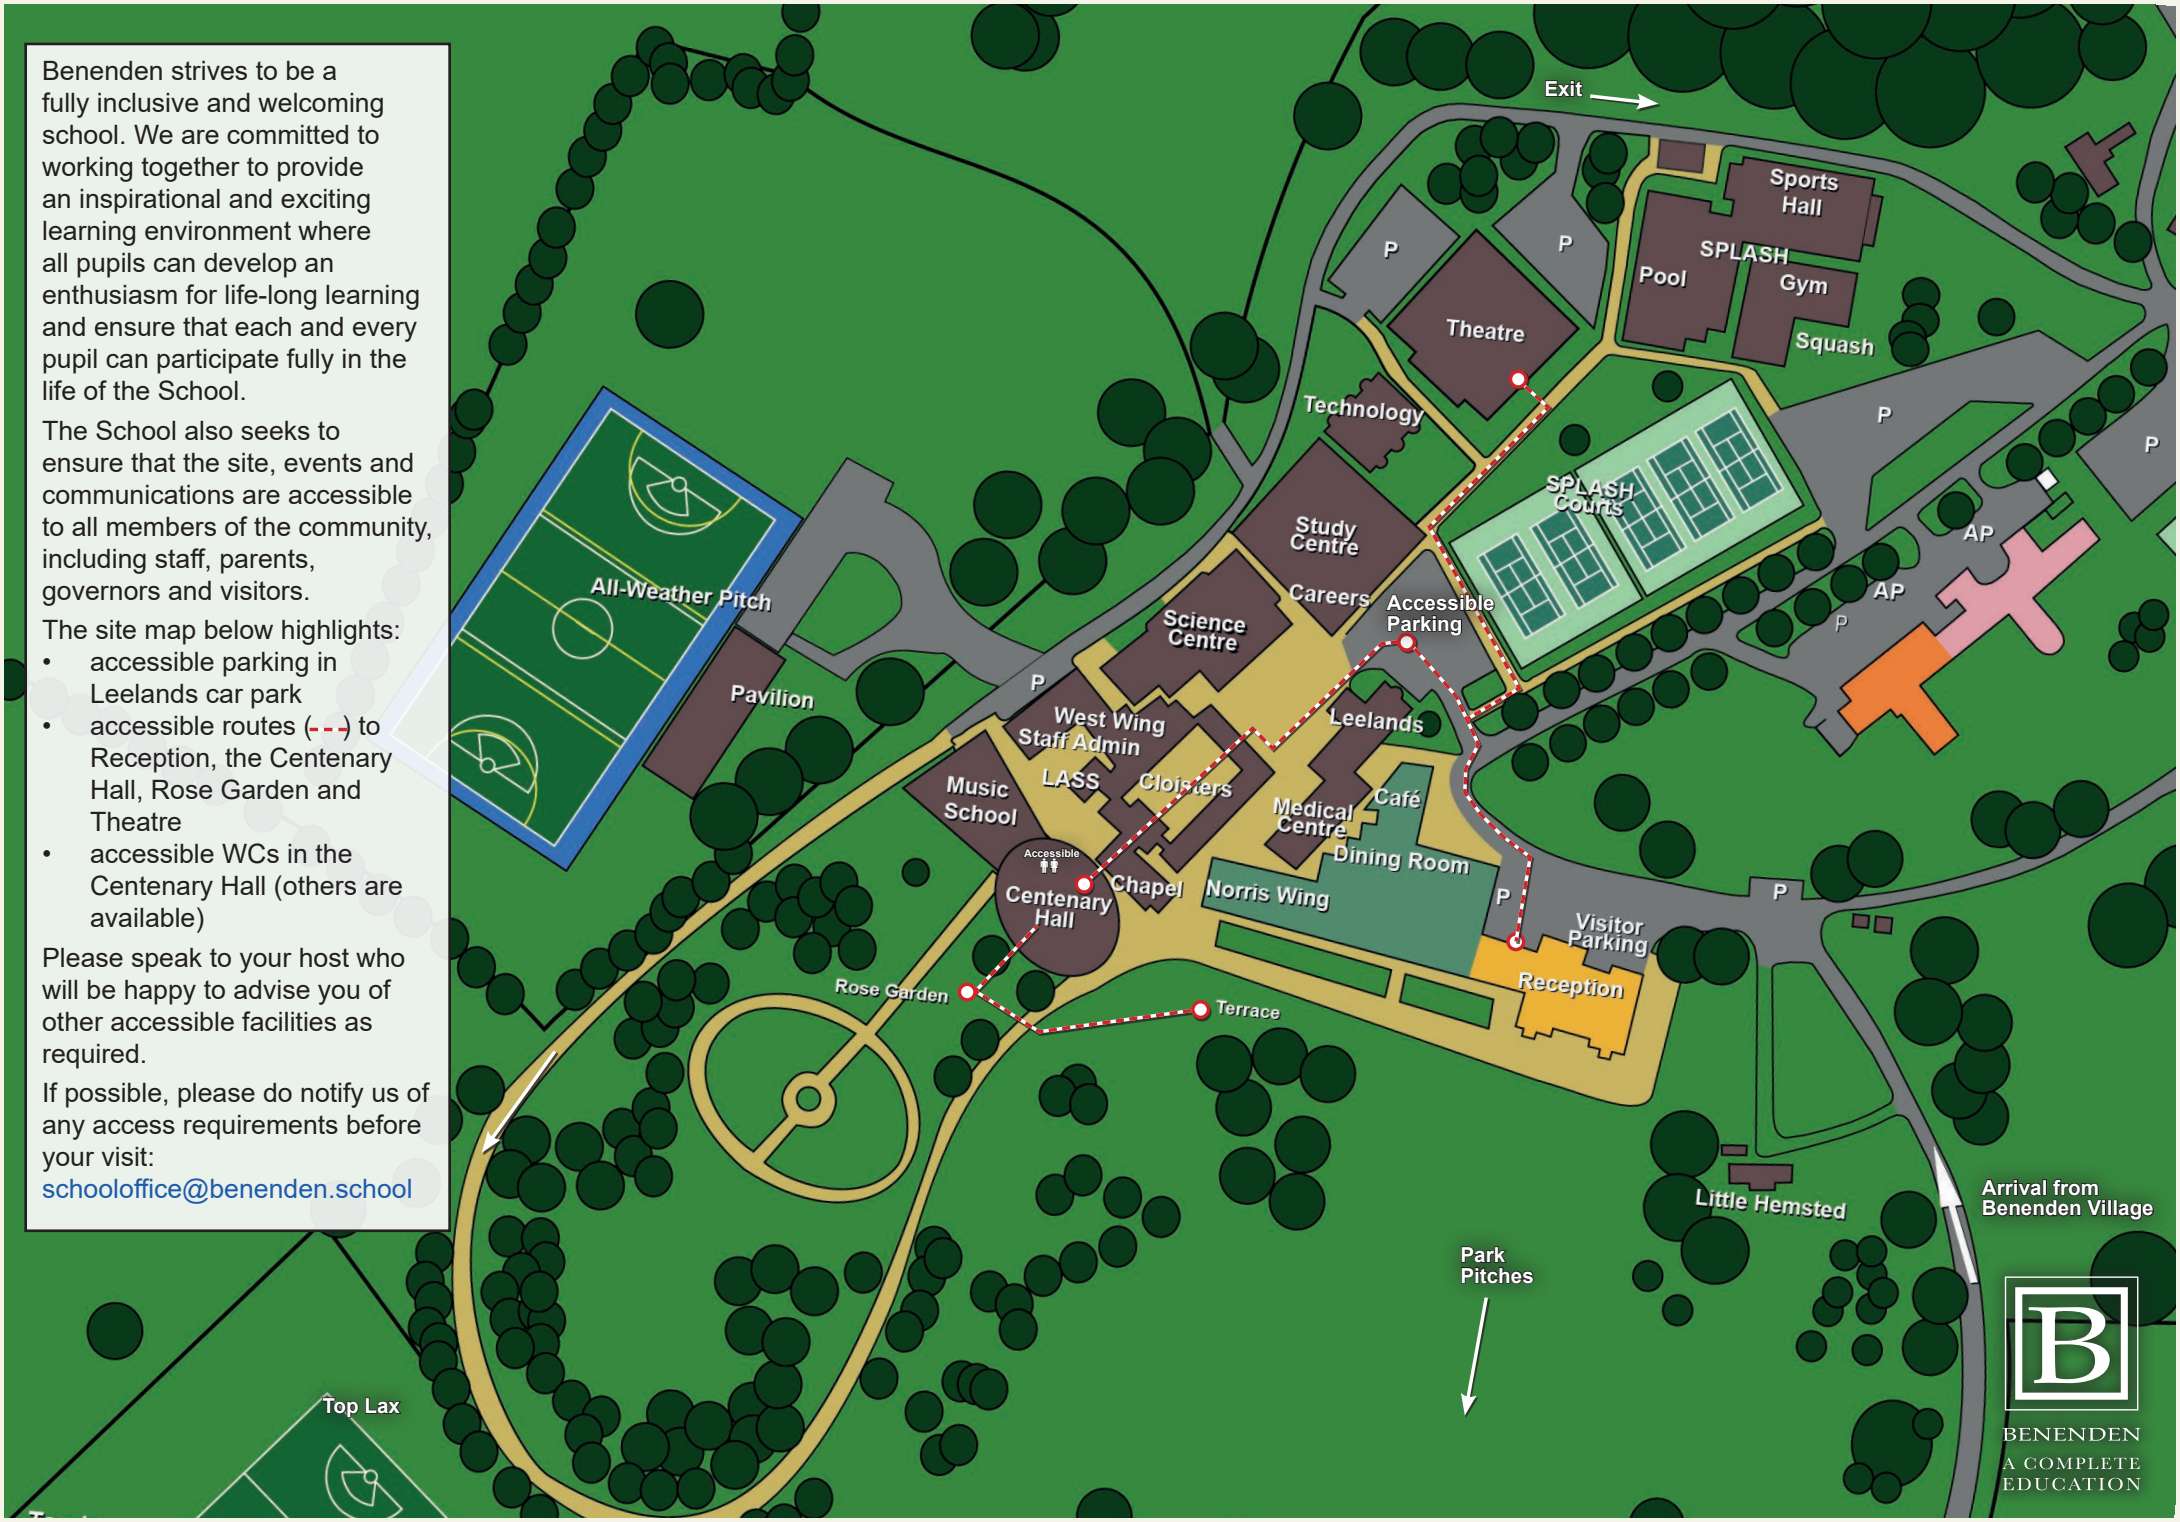
Benenden strives to be a fully inclusive and welcoming school. We are committed to working together to provide an inspirational and exciting learning environment where all pupils can develop an enthusiasm for life-long learning and ensure that each and every pupil can participate fully in the life of the School.

The School also seeks to ensure that the site, events and communications are accessible to all members of the community, including staff, parents, governors and visitors.

The site map below highlights:

- accessible parking in Leelands car park
- accessible routes (- - -) to Reception, the Centenary Hall, Rose Garden and Theatre
- accessible WCs in the Centenary Hall (others are available)

Please speak to your host who will be happy to advise you of other accessible facilities as required.


If possible, please do notify us of any access requirements before your visit:
